

LYME REGIS, DORSET  
**Candles**  
on the Cobb

## #CANDLESOUT

16 years ago the unique and prolific Candles on the Cobb was born by co-founders Mike Higgs and Phil Street.

At the recent COTC committee meeting, the co-founders, supported by the committee, decided unanimously to close down the organisation.

Although there is no right time to bring an end to such a great organisation, after 16 years and £130,000+ raised, the COTC committee concluded it had achieved all it had set out to achieve over the years, and much more!

Local youth groups and national charities have significantly benefited from the funds generated by the COTC organisation.

Seeing how the local youth groups have benefited over the years has given the committee huge satisfaction and to hear how the national charities have used their money has been very rewarding.

The COTC Committee would like to express their sincere gratitude to all who have supported the organisation during its 16 years of achievements.

**Without the generosity of the public, sponsors, businesses, and the support of the hundreds of helpers and organisations, £130,000 would not have been raised and distributed to such worthy causes.**

Donations will still be accepted for the COTC causes but all remaining monies will be distributed to the local youth groups in Lyme Regis & Uplyme by the end of 2016.

# THANK YOU
